

Northfield Farmers Market Sponsorship Opportunities 2016

Dear Winnetka-Northfield Chamber Members:

As you know, Northfield is widely recognized for its outstanding Farmers Market. A tradition in Northfield for 39 years, the Market features fresh locally grown produce, flowers, baked goods, specialty products, live music and special events. The Chamber operates the Market and is looking forward to your sponsorship for the 2016 season.

The Market is a traditional community gathering place as well as a favorite spot for purchasing the freshest, finest products. Many factors make our Market special including a large and loyal customer base, ample, convenient parking, a spacious setting on grass, a wonderful mix of vendors and the strong relationships between our vendors and their customers. The majority of our vendors have been with the Market for decades.

The Market is held every Saturday starting May 21st through October 15th, with hours from 7:30 a.m. to 12:30 p.m. on Happ Road across from New Trier High School's Northfield Campus. During the peak growing season, an estimated 1,000 people from Northfield and surrounding towns visit weekly. Shoppers spend time not only at the various booths but catching up with friends and neighbors.

The Market provides an excellent forum for us to partner with you in promoting your business or organization. Market sponsorship is a great way to reach an attentive audience.

In addition to weekly attendance, the Winnetka-Northfield Chamber website provides year round exposure to you.

There are three different sponsorship levels.
