Village of Northfield Branding from the [Chicago Tribune](#)
"The Northfield Village Board has signed off on paying a consultant \$46,000 to develop a brand for the village that will help attract and retain new businesses, visitors and residents.
The Chandlerthinks company will develop a branding strategy and competitive identity as the latest step in an initiative that also includes a 2020 vision plan, a downtown master plan, the development of commercial design guidelines and a 2013 consumer and business survey.
"The initiative we're considering is the next step along this economic development path we have taken," said Stacy Sigman, village manager. "We hope that it is going towards filling a lot of the village's longterm goals."

Parade
Participants**

The annual July 4th parade in Winnetka is always a wonderful event that brings the village together as friends, neighbors and citizens. The Winnetka Park District would like to involve as many people as possible in the parade, because it's always fun to see Winnetka's citizenry getting into the spirit and doing something out of the ordinary. Let's face it, the more entries there are, the more festive the parade! The Winnetka Park District is looking for participants in the parade.
Entries may be as simple or sophisticated. You could decorate a bike, wagon or lawn tractor; build a stunning float; dress in costume; play an instrument; march with the
