

Winnetka-Northfield Chamber of Commerce Newsletter

Celebrating 90 Years

Platinum Members

Dear Chamber Members:

September brings many new beginnings. Most importantly the football season begins. The start of school often organizes the entire family putting a regular routine into place. The new fall television shows begin, and my favorite part about September is the weather is usually beautiful.

We are delighted to host our Annual Multi-Chamber Golf Outing & Fundraiser on Monday, September 15, at the Evanston Golf Club with The Skokie Chamber of Commerce. This year's outing will be held at the Evanston Golf Club, an exquisite private country club located in Skokie. Golfers will enjoy 18 holes of tournament golf in a scramble format, with lunch, prizes, beer and wine as well as a networking dinner all inclusive, at this exclusive country club.

For more detailed information, please check out the brochure and flyer for sponsorship and donation opportunities, event details, and schedule listed further along in the newsletter. **Be a sponsor! Get noticed. There are sponsorship opportunities at many levels.** This is an important event for the Winnetka-Northfield Chamber of Commerce and we hope to see you in attendance. As always we have many opportunities to connect with chamber members through our multiple networking events through-out the month. Join us!

The planting of American flags on the Winnetka Village Green has been an annual, student-lead tradition since 2008 when then-North Shore Country Day student Genevieve Nielsen sought permission from the Village Council to erect a flag memorial at the base of the Cenotaph, to pay tribute to the 2,977 lives lost in the terrorist attack on the United States on September 11, 2001. Elliot Tucker, from New Trier High School is honored to be coordinating the commemoration again this year. At its August 19th Council meeting, the Village Council granted his request to again plant flags. The memorial is erected on September 10th, beginning at 4:00 pm and is taken down at sunset on September 11th.

Based upon suggestions from past participants, new, sturdier 8 x 12" stick flags have been purchased and they will enhance this beautiful, solemn tribute. A special thank you to the generous donors:

Rob and Vicki Apatoff
Bob and Sandy Berger
Chris and Laurie Nielsen
Creed and Jessica Tucker
Bratschi Plumbing
The Grand Food Center Winnetka

Thank you also to Fire Chief Berkowsky and the Winnetka Fire Department, and Police Chief Kreis and the Winnetka Police Department, for assisting with the layout and supplying tools to help drill holes for the flag planting.

This Winnetka tradition is an annual, community-wide gathering of parents, children, seniors, veterans, first responders and more. Gather to plant flags to remember loved ones, friends, co-workers or fellow human beings who lost their lives, to remember the public safety officers who selflessly risked their lives to help others, and to remember the heroism, bravery and generosity of Americans that day, that exemplifies our great nation.

Please join in remembrance. All are welcome.

Annual Chamber GOLF Outing

Monday, September 15

10:45 am to 8:00 pm

Evanston Golf Club
4401 Dempster Street
Skokie, IL

Multi-Chamber Annual Golf Outing & Fundraiser!

Pull out those golf clubs and head over to the Evanston Golf Club for one of the most anticipated events of the year! You are invited to join the Winnetka-Northfield and the Skokie Chambers of Commerce for a Multi-Chamber Annual Golf Outing and Fundraiser!

On Monday, September 15, it is your chance to participate in 18 holes of tournament golf in a scramble format. Create a winning foursome to play this fabulous course.

The bag drop will be at 10:45 am and shotgun start at 12:00 pm. The day will feature golf, lunch, a cocktail hour and networking dinner with prizes and awards. **Non-golfers may join us for the Networking Dinner at 4:30 pm. Delicious grilled food, wine and beer will make this is an evening not to miss! Lady Luck might be on your side and you could be the lucky winner of one a great raffle prize.**

Get your foursome together for this wonderful annual event. How about being a GOLF OUTING sponsor this year? This well attended event is a great way to get the word out about your business. Click [here](#) for more information about sponsorship.

If you are not able to play golf, please join us for the Networking Dinner with cocktails and dinner on the patio.

Introducing The Studio at the Winnetka-Northfield Public Library District

A space for creativity and innovation, dedicated to promoting the arts, in memory of Constance E. Staffileno The Studio, a space designed to inspire art enthusiasts and innovators, will be unveiled in late October at the Winnetka Library. Located in the lower level of the Winnetka Library, The Studio will be home to both traditional and digital art equipment, with creative programs that educate, inspire and provide space for the community.

The Studio will feature the latest technology and equipment, such as 3D printers, Adobe Creative Cloud software and a laser engraver, as well as classic paint and canvas, photography backdrops and lighting, machines for sewing and embroidery and tools to make jewelry. Library Director Rebecca Wolf's vision for the space "merges traditional and digital art to inspire and educate a community of artistic makers and creators. Our community embraces the arts. The Studio

is going to be a place where they can come to learn, create and innovate in every medium. We want to welcome artists and would-be artists, and give them an opportunity to practice and explore creative projects."

The Studio was made possible by a generous gift given to the Library from the Staffileno Family, in order that the library create a space to honor the memory of Constance E. Staffileno. The Studio was created to embody Mrs. Staffileno's love for art and art education. The Library Foundation was instrumental in bringing this project to fruition. The Studio includes plans for a do it yourself (DIY) area that will feature drop-in creative projects that can be completed in an hour or less. "We're calling this our 'DIY bar,' a workbench that will feature DIY creative kits containing all the materials for the project will be available, and instructions for the projects will be posted on a large project board. Each month, a new creative project will be featured, such as mini watercolor canvas or a tiny terrarium.

The Studio's first round of classes begins this fall, and includes programs such as an introductory pastels class, making an embroidered tote bag, 3D printing, laser engraving and knitting. The full class lineup will be outlined in the Library's Fall newsletter mailed to all district homes next week. Library district cardholders will have priority for class registration until one week before the class begins, when registration opens to all other library cardholders.

A grand opening event for the space is scheduled for Sunday,
